Application capacity is based on 90% of total volume in the cubic feet x 34 lb/ft³ AHRI capacity is based on 80% of total volume in cube feet x 30 lb/ft³

Polyurethane Insulation

Foam insulation is forced between the wall and liner under heat and pressure to form a perfect wall to wall bond, preserving ice supply for long periods.

Bin Interior

The polyethylene bin interior is sanitary and easy to clean. Resists scratches and scuffs from ice scoops

Warranty

• 3 years parts and labor on all components.

Warranty valid in North, South & Central America. Contact factory for warranty in other regions.
